Foundation for Purposeful Living  
3985 HSA Circle  
Winston-Salem, NC 27101

Dear Mikaela,

On behalf of the Shepherd's Center and those we serve, I want to thank you and the Foundation for Purposeful Living for your continued support of our ministry with older adults in the community with your recent contribution of \$2,500.

As an interfaith ministry, the Shepherd's Center relies on the community for the financial and volunteer support of our ministry with older adults in the community. We have had the busiest year in the history of our organization. Even with a record number of requests and events, we have continued to recruit and train volunteers and respond to the needs of older adults in our community. Transportation, minor home repairs and visitation continue to require many volunteer hours and demand our constant attention.

Your wonderful contribution will be used to support all of the programs offered through the Shepherd's Center including the Faith In Action Care Program, the Senior Center, Adventures In Learning, Seniors' Health Insurance Information Program (SHIIP) and the many other services of our ministry.

Thank you for your continued support and encouragement of the Shepherd's Center and for your financial commitment that will allow us to strengthen our ministry. Thanks to you, we are able to provide much needed services with and for older adults in our community.

Best regards,

Samuel C. Matthews  
Executive Director
